Anti-burglary security grilles

The Crime Barriers

A measurably high level of physical security for all commercial & industrial applications.

The strongest retractable grille in the world

Many Sainsbury's stores are secured with Trellidor Trojan

Trellidor Trojan retracts to allow entry

Protecting an entrance with a serious security grille

The original collapsible security grilles from the intern

- ◆ Tested and certified by the LPCB to LPS 1175 security rating level 2 for your peace of mind.
- ◆ Unique award winning Trelllok integral to the frame. (no ugly external locks)
- ◆ Light but measurably strong.
- ◆ The door is top hung which ensures that it is light to the touch, operates smoothly and does not have a roller on the ground to pick up dirt.
- ◆ Unique tamper proof fixings for added security.
- ◆ Quick and easy to install.
- ◆ Tailor made to suit your needs.
- ◆ 4-point locking mechanism with anti drill features for added security.

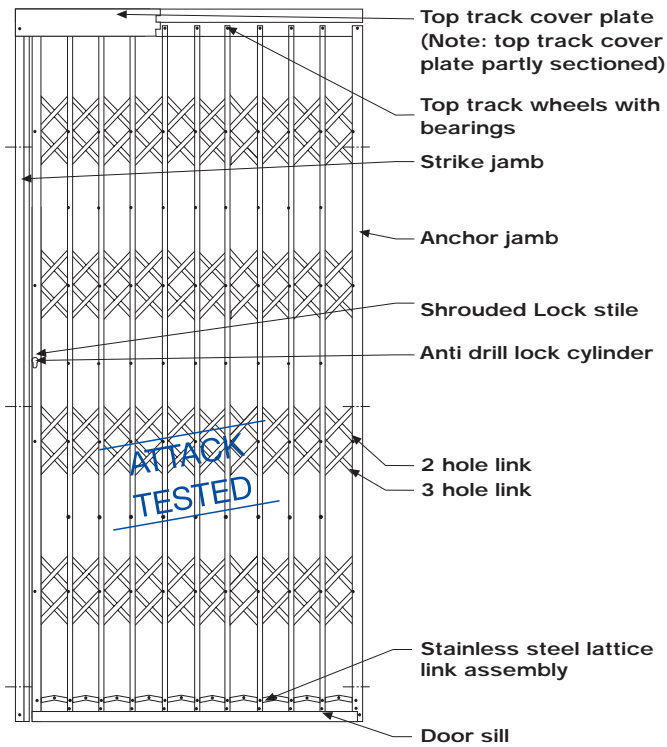

Trellidor Trojan doors are available in an attractive stock range of high quality ultra violet resistant polyester powder coatings, suitable for interior and exterior use. Colours are available in any standard RAL or BS number and can be matched to decor or corporate identity.

Trellidor Trojan can be colour matched to corporate colours

Designed to ensure security, durability and style

- ◆ Anti tamper feature (shroud) on the lock stile protects the locking points from forced entry.
- ◆ Drawbolts remain engaged even when lock is breached.
- ◆ Enclosed and re-inforced uprights provide extra protection.
- ◆ Rolled steel uprights enclosing Polyamide Six Nylon components.
- ◆ Galvanised steel construction with pre-assembly powder coating of all components.
- ◆ Fully framed and anchored into the reveal for added strength.
